

December 6th is the Feast of St. Nicholas

In the spirit of the real Father of Christmas, St. Nicholas, make a gift to children of the Holy Land and their families. Families desperately need help with school fees, books and transportation to school. Families depend on Diocesan hospitals and clinics, and many children receive hearing aids, leg braces and glasses as a result of your gifts. Please support these faithful custodians of the Holy Land. Christian presence depends on you, and the children of the Holy Land will be grateful.
